

The re-imagination of money transfer: digital, mobile and social

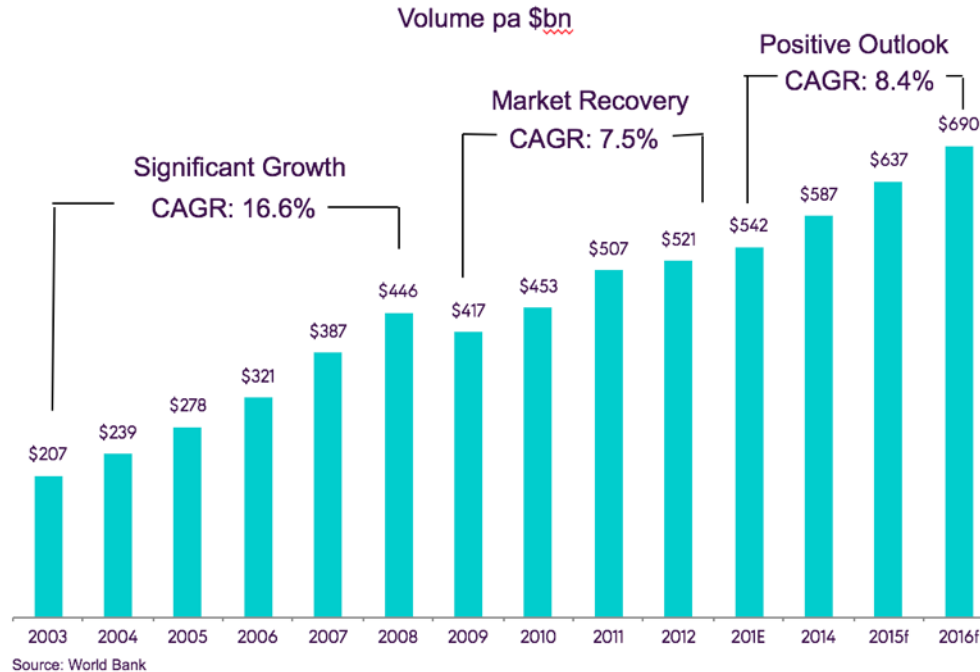

“If the transaction costs on remittances worldwide were cut from where they are today at around 10% to an average of 5%....

...it would unlock \$15bn a year in poor countries”

BILL & MELINDA
GATES foundation

Cross border migrant payments: huge but badly served market

232m migrants
worldwide in 2013

2.16 bn smart phones
worldwide in 2015

Azimo use technology to simplify the complex value chain

Traditional Money Transfer
